A Community Centre for Kilcloon

After nearly 50 years of effort, hundreds of committee meetings, dozens of public meetings and fundraisers, **a Community Centre for Kilcloon is finally within reach.**

The History of KCC

A committee was first formed to seek a Community Centre for Kilcloon in the mid-1970s but it wasn't until the early 2000s that substantial progress began to be made.

During this period, KCC registered as a limited company and achieved recognised Charity status and, after many a false dawn over the years, the most suitable site for a Community Centre, opposite the church in Kilcloon, came on the market. Thanks to the generosity of the community, the hard work of the committee and the help of the Credit Union, the field was purchased and, after 4 years, all loans repaid.

Unfortunately, the global financial crisis of 2008 put all plans on hold.

The Future of KCC

Beginning in 2013, engagement with Meath County Council led to concrete plans being put in place to develop a Community Centre for Kilcloon:

- To fund the construction of the Community Centre, sites will be sold with outline planning permission.
- Four initial sites were sold and all four houses are now complete and occupied.
- Outline permission has been granted for 13 further sites and the Community Centre itself, designed by renowned architects McKeivitt King.
- These will be developed in two phases. Phase 1, consisting of 8 sites is now on the market, with 6 sites already at deposit or sale agreed stage.

The Next Steps

- Kilcloon Community Centre will be constructed in 3 phases:
 - Phase 1 (early 2021) : Construction of the road, footpaths, associated site and ground works etc
 - Phase 2: Construction of the first 8 houses and the Community Centre building itself.
 - Phase 3: Construction of the remaining 5 houses.
- Progress, updates and detailed plans will be available to view on our website, www.kilcloon.ie.
